Re: Freedom of Information Act Request, received March 4, 2013

Dear Mr. Dyer:

This letter is in response to your Freedom of Information Act ("FOIA") request received via email wherein you requested the following:

"... any and all records pertaining parking fines, speeding tickets and/or DUI arrests given to vehicles with diplomatic plates ascribed to the Embassy and consulate of Mexico in DC between FY 2000 and FY 2012."

Regarding your requests for parking and speeding ticket information, it has been determined that more time is required to gather all the records you requested. I am therefore asking for an extension of the deadline, pursuant to D.C. Official Code § 2-532(d)(1). You will receive a response to this request within ten business days of the date of this letter. Please note that under FOIA, the Department of Motor Vehicles ("DMV") is not required to create a record, which this request will require. However, without waiving DMV's rights to deny future requests and as a courtesy, these records will be provided.

Upon receipt and review of your requests for DUI records given to vehicles with Mexican diplomatic plates, the DMV does not maintain records in this format.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ivy Barnett", with a long horizontal flourish extending to the right.

Ivy Barnett
Attorney Advisor & FOIA Officer
